Professional Summary

Data-driven Machine Learning & Deep Learning Engineer with expertise in predictive modeling, data analytics, and AI-based solutions. Proficient in Python, TensorFlow, SQL, and big data analytics.

Technical Skills

Programming: Python, SQL
Machine Learning: Scikit-learn, TensorFlow, Keras
Deep Learning: NLP, Computer Vision, Neural Networks
Data Analysis: Pandas, NumPy, Matplotlib, Seaborn
Data Visualization: Power BI, Tableau
Tools: Git, Jupyter Notebook, Google Colab

Internship Experience

Data Science Intern – Novitech (Feb 6, 2025 – Present)

Built machine learning models for customer segmentation and fraud detection.
Developed deep learning models for image classification and NLP tasks.
Automated data preprocessing pipelines using Python and SQL.

Projects

Machine Learning & Deep Learning Projects:

Quora Question Similarity - NLP-based model to detect duplicate questions on Quora.
Employee Attrition Prediction - Developed a machine learning model to predict employee attrition.
Movie Recommender System - Built a recommendation system using content-based filtering.
Laptop Price Prediction - Created a regression model to predict laptop prices based on features.

Data Analysis with Python Projects:

Netflix Data Analysis - Analyzed Netflix content trends using Python and Pandas.
Uber Data Analysis - Explored Uber ride data to understand peak demand and pricing trends.

Professional Experience

Sales Executive – Skylo Innovations (Aug 2022 – Jan 2024)

Conducted sales data analysis to identify trends and customer preferences.
Developed Power BI dashboards to visualize regional sales performance.

Sales & Marketing Specialist – Illumination India (May 2019 – June 2022)

Led marketing campaigns with data-driven decision-making strategies.
Used SQL and Excel to analyze customer behavior and sales impact.

Production Supervisor – Mascot Power Conversion Pvt. Ltd. (Mar 2017 – Feb 2019)

Managed supply chain data to optimize production efficiency.
Tracked key performance metrics using Excel and Power BI.

Certifications

Data Science & Analytics Certification – CloudyML
Machine Learning
Deep Learning
Statistics Certification
Power BI Job Simulation – PwC (via Forage)

Education

B.Tech in Computer Science Engineering – I.K. Gujral Punjab Technical University (2011–2015)
